

Braybrooke Baptist Church

Three 'special services are now held per year.

Palm Sunday

Harvest Thanksgiving Service

Carols by candlelight

Retired minister Reverend David Gamston has kindly taken us under his wing and supports us by planning and leading the services. Villagers of all ages are invited to do the readings and the Braybrooke singers are also invited to help support the singing.

We are very thankful for their help.

All services are well supported by about 55 villagers and friends, refreshments are served and enjoyed at the end where everyone enjoys social time together.

We feel therefore that we should continue with these services.

As a membership we are struggling and are very grateful to villagers and friends of the chapel who help with the leaflet posting, decorating the chapel, food preparation and distribution to helping to clean up after the services.

Our neighbours also help with the maintenance of the guttering and door. Thank you to them as well.

Last December we were happy to host the WI Carol service where it was packed for members of the local WI groups.

The chapel was suitably decorated for all the services.

Our plan at the moment is to continue with the three special services this year.
