

Braybrooke Cricket Club – report to Annual parish Meeting 2017

Braybrooke CC is a small village cricket club playing Sunday friendly matches from the third week of April to the end of September, a total of around 24 matches. This year we are touring Cromer for three days during the late May Bank Holiday. The club is active and thriving which bucks the trend when so many clubs are folding due to lack of players.

The club is financially stable. We have three ways of raising funds which are: 1) vice-presidents subscriptions, 45 paying subs of £10 each; 2) the bar, bbq and raffle held at the annual Braybrooke v Arthingworth match in July for the Supaseal Trophy; 3) the annual Christmas bingo and raffle night held in the Village Hall in December.

The future looks rosy as the club has been in existence since 1898.

Glyn Panter, Secretary
