Report to Annual Meeting of the Parish

The Heritage Group has not found a new project but would be happy to consider suggestions from any resident of the village. Funds are available to kick start a project. The project should aim to be self financing in the long run and if possible add to the fund for the future.

The Heritage Group has been responsible for the Village Map, Braybrooke Books I & 2 and the Braybrooke Tapestry. The following item was recorded in the minutes of the Parish Council and Village Hall in 2003 to ensure the protection of the fund for projects relating to the History of Braybrooke.
