

Braybrooke Singers

March 2017

Braybrooke Singers meet every other Friday in the village hall for an hour and a half, with a professional singing tutor. We are now approaching our fifth anniversary.

The majority of the members (twenty one in total) are from Braybrooke but there are also members from Great Oxendon, Clipston and Desborough.

We sing a variety of songs and this term we are learning a Beatles Medley and a Michael Jackson song!!

We usually have two performances a year, one at the Summer Fete and the other at the Christmas Carol Service in the Church. However this year we will also be singing at the Braybrooke WI 60th anniversary celebration and we have been asked to sing for Desborough WI at Christmas.

The group is all-inclusive and the members do not need to read music or have any previous singing experience. In addition there are no auditions. The members only pay for each rehearsal they attend. The aim of the group is enjoyment and we did not want people to be committed to paying for sessions they could not attend. Initially this was causing us a few problems with having enough income to pay for the hall and the tutor. However as our membership has grown and as we are also one of the recipients of funds raised at the Summer Fete, we are now in a secure position.

We always have a great time at the rehearsals, where laughing often overtakes the singing!
