

## Report for Braybrooke WI

- During 2017 we achieved a record membership of 44, in addition to celebrating 60 successful years with an afternoon tea party. Members dressed in 1957 fashions, ate food typical of the era (rationing had only just finished, food was seasonal and prepared items only just coming onto the market). One of the original founder members (now 86) was able to be present and has recently been made an honorary member.
- We shall be continuing our drive for new members, especially younger ones, to ensure generations coming up also benefit from being WI members. We shall be hosting an open event on Monday evening, 11 June 2018, when members and visitors will be able to see and sample a demonstration of Asian street food. Details will be circulated nearer the time.
- Villagers can keep up with our activities by following us on our Facebook page and by reading about us on the Braybrooke Weebly site or in the Braybrooke Gossip.
