

Braybrooke Cricket Club – report for Parish Council

The Club's recent AGM was well attended and bodes well for its continuation. Last year's officials were re-elected, en bloc: Chris Tyrrell - Chairman; Wally Panter – Treasurer; Glyn Panter – Secretary; Jake Underwood – Captain. Tom Gately has joined as Assistant Groundsman.

22 fixtures have been arranged, we anticipate that a third of these may be called off because either ourselves or the opposition cannot raise a team, a sign of the times.

Nick Chudley has kindly donated his old kitchen units and Mark Oxford will take out the old ones and replace with the new before the first home match in early May.

The Club is financially stable and the players look forward to the new season with great expectations.

Glyn Panter

Secretary, BCC.
