

Braybrooke Parish Council

Precept Overview

Each Parish has a tax base calculated for it as part of the borough council's tax setting process. The tax base is the number of "Band D" equivalent properties that are relevant for each area; the figure is set by the borough council as part of an annual independent process.

The 2018/19 tax base for Braybrooke was **182** Band D Properties

Detailed below are three examples of the additional Council Tax that would have been charged in 2018/19 had the Parish Council levied a precept for one of these amounts. These are based on Band D properties:

| Precept Amount | Annual Amount | Weekly Amount |
|----------------|---------------|---------------|
| £1,000 | £5.49 | £0.11 |
| £1,500 | £8.24 | £0.16 |
| £2,000 | £10.99 | £0.21 |

Each dwelling is placed into one of eight valuation bands, from A to H. The Council sets the Council Tax for Band D and then properties in other bands pay a proportion of the Band D charge as shown in the table below, the table below also indicates the annual charge per banding;

| Precept Amount | Band A 6/9ths | Band B 7/9ths | Band C 8/9ths | Band D 9/9ths | Band E 11/9ths | Band F 13/9ths | Band G 15/9ths | Band H 18/9ths |
|----------------|------------------|------------------|------------------|------------------|-------------------|-------------------|-------------------|-------------------|
| £1,000 | £3.66 | £4.27 | £4.88 | £5.49 | £6.71 | £7.93 | £9.15 | £10.98 |
| £1,500 | £5.49 | £6.41 | £7.32 | £8.24 | £10.07 | £11.90 | £13.73 | £16.48 |
| £2,000 | £7.33 | £8.55 | £9.77 | £10.99 | £13.43 | £15.87 | £18.32 | £21.98 |

For every £1,000 precepted this would result in a Band D annual increase in Council Tax for the Parish of Braybrooke of **£5.49 based on the 2018/19 Tax base.**
