

## Gossip Report 2019

Gossip is going strongly and will not require any funding from any source this coming year. We have a virtually new printer (George has it at present) which will do A3 size paper and smaller, which was given to the gossip and has probably done under 2000 copies - any village organisation who wants it can have it free unless George has a better idea. I think if it is an individual rather than an organisation a donation of £50 would be in order to the Fete committee via Jo Hesford. It cost over £300 new.
