

KETTERING BOROUGH GREEN SPACES

Would you like to see more and improved green spaces in your local area? If so, come along and share your ideas.

Kettering Borough Council and River Nene Regional Park are working together with landowners, statutory bodies and local communities to plan enhancements to the green spaces within the Borough for both people and nature. We want to hear your opinions and ideas on what you'd like to see happen.

Weds 11th October, 4pm – 6.30pm
