

Braybrooke Village **table tennis** report 2019

The table tennis group has been meeting every Mon 10.30 – 11.30 am since May 2018, with just a short break over the summer. The emphasis is on fun and fellowship amongst members but there has been a surprising increase in skill over the year. With only one table (and a make shift practise table for 2) numbers playing at one time are limited but tea/coffee and chat are a major feature for all to enjoy – everyone of whatever skill is welcome.
