

Welland
15/06/2018

Councillor David Howes, Councillor Alan Matthews (County), Shirley Plenderleith, Beth Gordon, Ian Smith

Location	Issue/s	Organisation Responsible	Service Area	Photo (Y/N)	Update / Progress	Completed (date)
Braybrooke	Church Close playground - there is a manhole with sharp metal edges at the bottom of the slide - who is maintaining the grass within this area and the land to the side. Who is taking ownership and responsibility for the play area going forward	KBC	Grounds Maintenance	N	-	
Braybrooke	Church Close playground - condition of Poplar tree within playground	KBC	Grounds Maintenance	N	-	
Braybrooke	Grass cutting - verge cutting just been undertaken resulting in long grass left over turf, in some areas falling onto the road causing detritus. Grass cutting needs to happen more frequently or long grass needs to be picked up.	KBC	Grounds Maintenance	N	-	
Braybrooke	Grass cutting - would like more information about what is and isn't done, and scheduling	KBC	Grounds Maintenance	N	-	
Braybrooke	Dog bins - 2 in village - 1 at top of village overflowing (already reported). Confirm who is emptying and how often	KBC	Street Cleansing / Refuse	N	Currently emptied by refuse when crew are in village (once per fortnight). This may be transferred to Street Cleansing in future	
Braybrooke	Leaf clearance - requested in Oct time to ensure drains don't become blocked	KBC	Street Cleansing	N		

Sutton Bassett	Footpaths in village - excess chippings need to be swept and removed	KBC	Street Cleansing	N		
Sutton Bassett	Waste bin on lawn by Church - who installed this and who is responsible for emptying it and how often	KBC	Street Cleansing	N	KBC installed due to several requests, emptying schedule is once per week.	
Sutton Bassett	Litter picking B664 - 47 bags of rubbish and other large items collected this spring which KBC collected	KBC	Street Cleansing	N	Advised that any flytipping is reported at the time so it can be cleared by KBC. Will look at adding road to schedules for litter picking	
Ashley	SSLP - supposed to be going to next committee. Concerns that the village hasn't got protection in terms of development	KBC	Planning policy	N	Consultation from 22 June to 3 August	
Ashley	Special Landscape area (Welland Valley) - plans to create Welland Valley as special landscape area - would like an update	KBC	Planning policy	N	-	
Wilbarston	Street lights	KBC	Engineers	N	No known issues currently - advised to report if there are any	
Rushton	Station Road - street light shrouded by trees at junction with Rushton Hall	KBC	Grounds Maintenance	N		
Rushton	When is sweeper next due	KBC	Street Cleansing	N	TBC	

Braybrooke	3 grit bins (Junction of Green Lane and School Lane, junction of School Lane and Griffin Road and Church Close) - all split to some degree, Church Close is the worst, just re-sited outside the recreation ground, the lid is not attached and there are large and potentially dangerous splits	NCC	Ian Smith
Braybrooke	Rights of Way / Footpaths - there is no footpath warden and if there was there are no guidelines for their role and the Councils. The Jurassic Way sign has been turned up by the A6 and the green lane leading from Oxendon Road to the end of Newlands Street has been impassable for several months - a footpath Warden's Code needs to be established. When is the green lane going to be opened again?	NCC	Ian Smith

Braybrooke	Drains - there is a blocked ditch and drain near the railway bridge at the bottom of Park Hill. The potholes and crumbling sides are impossible to miss as the road is often covered in water from one side to the other. Whos is responsible for ditch clearance on Park Hill	NCC	Ian Smith
Braybrooke	Eroded carriageways - many road now very worn and crumbling at edge. Park Hill is worse as used for many months as alternative route when A6 was closed - when is round going to be properly repaired	NCC	Ian Smith
Sutton Bassett	Gulley traps - in footpath o/s No 12 & adjoining properties flood	NCC	Ian Smith
Sutton Bassett	Harborough Road (B664) flooding of highway 1. existing drains / gulleys blocked east side of road to Dingley turn 2. lower area on Sutton flats - east side 3. beyond turning to sewage works - east side	NCC	Ian Smith
Ashley	Stoke Albany Road culvert - railings over bridge need repairing	NCC	Ian Smith
Rushton	Road o/s tip at Oakley end bend - breaking away - could it be filled with stone	NCC	Ian Smith
Rushton	30mph signs - previously agreed by Ian Boyes to move these but hasn't been done yet - when will it happen	NCC	Ian Smith
Rushton	As go out towards Industrial Estate / Glendon - on bend kerb as gone on left hand side	NCC	Ian Smith
Rushton	Manor Road - 2 drains need cleaning	NCC	Ian Smith
